

## EvalPartners Innovation Challenge:

# *Involving Non-Traditional Evaluation Partners in EvalAgenda 2020*

## Entry Form

### A- Organizational Setup

Kindly list all organizations taking part in this innovation challenge. Start with the organization leading the partnership.

Organization name/ Abbreviation	Status (VOPE, academia, NGO, government agency)	Country

Kindly list all individuals taking part in this innovation challenge. Clearly define the Project Manager and the Deputy Project Manager who will be the main contact point for EvalPartners for this innovation challenge. Either the Project Manager or the Deputy Project Manager should be from a Partner VOPE from OAD eligible country. Please ensure gender, age and geographic balance in the team composition.

Name	Gender	Age	Affiliation	e-mail	Responsibilities under this project
					Project Manager (cell phone # + XXX XX XXXXX)
					Deputy Project Manager (cell phone # + XXX XX XXXXX)

### B- Technical Proposal

1. Provide a title for your project.
2. Briefly summarize your project in 100 words (we will use this summary in the promotional material)

Please provide short answers to the questions below in your 1,000 words project proposal:

3. What product process or service do you propose to reach out to non-traditional evaluation actors to make a positive contribution towards Agenda 2020? (What are the objectives of project and its key activities?)
4. What makes your project an innovative approach? (What are the outputs and outcomes of project and what is the innovation dimension embedded in them)
5. What are the perceived barriers hindering the active participation, in national evaluation systems, of the non-traditional actor(s) targeted in your innovation challenge? How will your innovation address these barriers? What are the possible risks that your project might face and how are you planning on mitigating them?
6. Identify the key stakeholders whose involvement will ensure success and describe their evaluation expertise as well as their contribution to the innovation challenge?
7. What assurances can you give that your proposed project can be conducted in 4 months? Provide a timeline of activities, showing that they will be completed by December 1<sup>st</sup> 2017. **Note there is no possibility for extension.**
8. Provide detailed budget for the implementation of activities.
